

SUN FOUNDATION

Annual Report

2021-2022

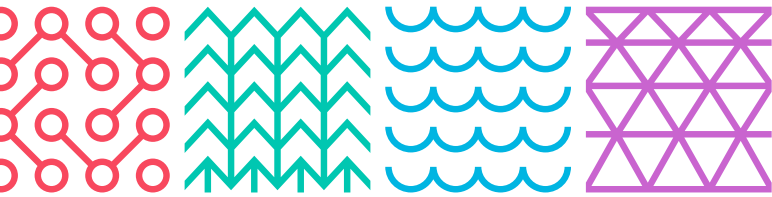

Overview

In 2022, the Sun Foundation celebrated our 49th anniversary. Since 1973, we've touched the lives of over 6 million members of our community through art and environmental science programs and publications.

We are pleased to report that the Sun Foundation was able to safely present its programs both in person and virtually during the challenges of the pandemic, and continue to serve its community in new ways and carry out its mission.

With the innovative practices and support of our board of directors, volunteers, staff, program coordinators, presenting artists and scientists, videographers, virtual platform designers and the promotional impact of our brand agency, Concentric Design, we celebrate the positive results of this year.

Founded by Robert and Joan Root Ericksen in 1973, the Sun Foundation of Washburn, Illinois is a 501(c)3 tax-exempt, not-for-profit organization dedicated to investing in educational opportunities for children and the general public by:

- Providing innovative environmental sciences and arts programs
- Engaging audiences and students with outstanding artists, engineers, architects, and scientists
- Promoting in-depth knowledge, creativity, first-hand learning, and stewardship

MISSION STATEMENT

The Sun Foundation works to strengthen and advance the arts and environmental sciences in rural and urban communities by providing quality and innovative programs, services, publications, research, regranting financial support and cooperative efforts for the general public, under served groups, schools, Illinois artists, and local arts organizations.

Sun Foundation programs are funded by public contributions and awarded grants.

SERVING THE UNDERSERVED SINCE 1973

Though the generous support of our donors the Sun Foundation was able to provide 87 financial need scholarships for student to attend the summer Art and Science in the Woods program.

With the awarded grant from the Illinois Arts Council Agency and matching funds the Sun Foundation's Community Art Access Program we were able to provide funding for under-served communities in four rural counties.

Clean Water Celebration

In 2022, we presented the 29th Clean Water Celebration via YouTube Live to all our audiences near and far. The morning included interviews on site, a live feed from scientists in the field, students presenting from their classrooms, real time Making Waves Award presentations and live music.

ABOVE Welcome to the set of Clean Water Celebration 2022, with MC Brian Fox Ellis, participant and musical guest.

Download the Clean Water Celebration app on the Apple App Store

ABOVE Two of the many special guests for the live broadcast of Clean Water Celebration 2022, Dot, a wood turtle, and Christie from Forest Park Nature Center.

The 29th Clean Water Celebration was held April 25, 2022. Virtual programming was streamed live on YouTube 9:00 a.m.–noon.

Hosted by Brian Fox Ellis and set against the cascade of bluebells at Forest Park Nature Center in Peoria Heights, IL, you could watch live interviews with experts, sponsors and award winners. There were live from the field bird bandings, musical performances, and recorded presentations on water quality issues.

This broadcast also highlighted episodes of Clean Water Champions, premiering new episodes and the launch of the updated Virtual Environmental Classroom.

Clean Water Champion episodes are cross-curricular documenting the work of scientists, artists, conservationists, storytellers, or youth leaders. Each is aligned to the Illinois Learning Standards and challenges the viewer to take action themselves. An action planning and reporting form is available.

Entering the Virtual Environmental Classroom, avatar, Recycled Robin appears in a virtual version of our Peoria Riverfront, but the location could be any river town in

the world. Robin guides the user to Clean Water Champion video tents and through mini-game activities and scavenger hunts.

This amazing online resource will be ongoing and was accomplished in collaboration with production and film team Brian Fox Ellis and Frank Blain, the Peoria Art Guild, the Greater Peoria Economic Development Council, and Interactiva Studios.

Funding to expand this virtual programming in 2022 included \$4500 through the American Water Environmental Grant program and \$10,000 from the American Water Charitable Foundation Keep Communities Flowing program to enrich the Virtual Environmental Classroom.

Plans are underway for the 30th Sun Foundation Clean Water Celebration, April 23 and 24, 2023 in Peoria.

Our live event is available to stream at any time on our YouTube page.

Art & Science in the Woods

Over the course of five days in June, the Sun Foundation welcomed our community back to attend nature's classroom in-person.

We are happy to report the 47th year of Art and Science in the Woods summer program was successfully presented for 315 students ages 5-18.

Thank you to our staff and volunteers who make this program possible. For the many weeks of planning and program preparation—we thank **Robert & Joan Ericksen, Brett Root Ericksen, Sharon Obery, Libby VerKuijen, William Blumenshine, Danielle Kreie** and **Josie DePauw**.

For classroom set up and grounds maintenance, we again thank **Brett Root Ericksen** and staff members **Chelsea Schierer** and **Emily Barrett** and volunteers **Eric Jones, Max Jones** and **Shay Sichmeller**.

Thank you to our many sponsors and donors.

Special thanks to **Blick Art Materials** for supporting us with art materials for all our 47 years.

Thank you to **Stanley Steemer** for donating health cleaning services of the indoor barn classrooms, and thank you to **Two Men and a Truck** for donating the monumental service of moving tables to class sites and back into storage after the program.

Thank you to volunteer supply coordinators **Libby VerKuijen** and **Jennifer Lindstrom** for the huge task of ordering and sorting class supplies and equipment.

Thank you to auction lead **Dominique Kreie** as well as all the donors and volunteers who helped with the Silent Auction.

Thank you to all our volunteer teaching assistants and nurses for their invaluable contributions in keeping students at camp safe.

Thank you to all of the parents who entrusted your children to our care and to your children for bringing their curiosity and talents to share with us.

Thank you to everyone who contributed to Art and Science in the Woods in any way large or small. It takes a community to bring this unique program to life.

Community Arts Access Grants

The Sun Foundation, in collaboration with the Illinois Arts Council and the National Endowment for the Arts, awards grants for community and public arts programming.

Community Arts Access Grants are funded by an awarded grant from the Illinois Arts Council, a state agency and matching funds from local business and individual donors. Last year, the Sun Foundation was awarded a \$10,000 grant for community and public arts programs for regranting.

With this grant and matching contributions from **Adams Consulting, First National Bank of Lacon, Katherine and James Weber**, the Sun Foundation awarded \$13,550 to schools, arts and community service organizations for public arts programming throughout the counties of Bureau, Marshall, Stark and Woodford. The funded programs were able to adapt and innovate their programs with COVID safety measures in effect.

Impact & Media

SUN FOUNDATION FY 2022 IMPACT

From September 1, 2021 to August 31, 2022 the Sun Foundation engaged 71,000 people through educational programs, services, publications, broadcasts, performance exhibits, community service organizations, presentations, classes, and workshops.

WEBSITE

Our website continues to provide an important means for communication with over 16,000 visits in the fiscal year (a 10% increase over 2021), of those, 12,000 were unique visitors (an increase of 11%).

PROMOTIONAL MATERIAL FOR PROGRAMS

The Sun Foundation designed and produced hard copy and electronic promotional brochures posters and flyers. Program materials were distributed to area community festivals, local businesses, local libraries, local schools and internet links.

SPECIAL THANKS

A very special thank you to Concentric Design for donating their time and skills to design and maintain our website, and design this annual report, and other promotional material throughout the year.

www.concentric.design

SOCIAL MEDIA

Facebook continues to be a valuable source of communication for Sun Foundation programs, sponsor acknowledgment, and news.

ARTS ADVOCACY

As a member of Arts Partners of Peoria and the Association of Fundraising Professionals, the Sun Foundation is an art advocate providing regrating support, employment, and free marketing—through social media and our website—for artists and arts organizations.

Program Support

SPRING AWAKENING PROGRAM SUPPORT EVENT

Our Spring Awakening event raised \$3,000 for our programs and was sponsored by Illinois American Water, Janice Zagardo, Gary Long, Thomas Figge, and Peter Managol.

Partnerships & Funding

The Sun Foundation gratefully acknowledges our partners and supporters.

SUSTAINING SUPPORT, GRANTS AND FUNDRAISING EFFORTS

Blaine Adams, CPA, and his firm donated accounting service again this year. **Concentric Design** of Chicago continued their in-kind services as webmaster and graphic designers of program and fundraising promotions.

The Illinois Art Council Agency awarded a \$12,850 operational grant.

IN-KIND DONATIONS

In-kind donations amounting to \$63,362 came from local businesses, service groups, and individuals to make the FY 2022 Sun Foundation programming and events possible.

Partnerships & Funding, cont.

VOLUNTEER COORDINATORS

Special thanks to:

- **Sharon Obery**, Art and Science in the Woods volunteer coordinator
- **Dominique Kreie**, camp auction lead
- **Libby Verkuilen, Jennifer Lindstrom** and **Shari Malson**, camp volunteer staff
- **Karen Zuckerman**, Clean Water Celebration volunteer coordinator
- **David Marshall**, Community Arts Access committee chair
- **Brett Root Ericksen** and **Laura Sandall**, Spring Awakening benefit leads
- **Bob Kreie**, trail lead

VOLUNTEERS

Over 200 people volunteered to support programs in 2022.

Community members gave their talents and time to serve on the Sun Foundation Board of Directors, serve on program committees, help at fund-raising events, facility maintenance, assist with teaching, and provide medical care for students.

These amazing people and groups are essential to the work of the organization.

GENEROSITY

We thank our community for showing such significant and long standing support for the mission of the Sun Foundation.

ILLINOIS ARTS COUNCIL

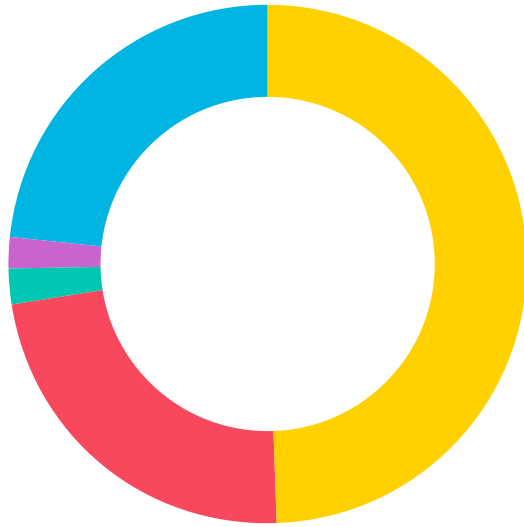

The Illinois Arts Council, a state agency, awarded the Sun Foundation \$12,850 for

operations and program support, \$10,000 for regranting through Community Art Access Grants to Marshall, Woodford, Stark and Bureau counties.
